

**Bulletin #2008-016      10 – November - 2008**

Subject:  
Binding interpretations

Overview:  
Effective January 1, 2009, amend the Technical Director section in Article 1.2.A with the following:

Issue binding interpretations of vehicle, safety and technical rules in Articles 3, 5, 6, 10 and 11 of the Rally America Performance Rally Rules.

Rationale: In the interest of consistency, the competitors need binding technical rule clarifications that cannot be overruled by a local scrutineer or Steward.

Questions regarding this bulletin received by Rally America from licensed Drivers and Co-Drivers will be answered in writing.
